NOTICE OF OF 114TH ANNUAL GENERAL MEETING

NOTICE IS HEREBY given that the one hundred and fourteenth Annual General Meeting of the Warringah Bowling Club Ltd will be held in the clubhouse, 74-82 Bradleys Head Rd, Mosman at 10:00am on Sunday 13th November 2016

BUSINESS:

1. Attendance – Establishment of a Quorum of 20 full members.
2. Apologies
3. To confirm the minutes of the previous Annual General Meeting held on Sunday 18th October 2015
4. Business arising from the minutes.
5. To receive and consider the Balance Sheet, Profit & Loss Account and the reports of the Chairman & Treasurer.
Copies of the 2016 Annual Report will be on the club website or available by request to the Secretary Manager on or after the 21st October 2016
6. To receive and consider the following motion proposed by the Board and received by the Secretary on 29th September 2016:

Background and purpose: As of 1st January 2017, the Registered Clubs Act restricts the size of all club Boards to a maximum of nine (9) directors. As a small club the Board believes the members will be better served by a smaller Board of seven (7) directors. The Board believes the inconsistent treatment and rights of directors, by having two (2) classes of directors, being Full Bowling and Social, is inconsistent with the Club's constitution. The Board therefore proposes to eliminate the requirement to appoint up to two (2) Social Directors. This will in no way restrict any Social Member, having served the required qualification period for election to the Board, from upgrading to full membership status and being eligible for nomination to the Board at that time. As such the Board asks the members to vote on the following resolution:

That the Members present consider, and if they see fit, pass a resolution by means of a special majority of 75% of members to amend the Constitution and Articles of Association by:

Remove Section 21 (a) iii which reads:

21 (a) Only the following members shall be entitled to vote at any General Meetings of the Club:

iii. Social Members but only in relation to the business of electing a Social Member as a Social Director of the Club

Replace Section 28 which reads:

WARRINGAH BOWLING CLUB LIMITED

(A company Limited by Guarantee)

ABN 85 000 014 219

28. *The Board shall consist of nine (9) Directors two of whom shall be Social Members and which shall comprise a Chairperson and eight (8) other Directors. The current presidents of the Men's and Women's clubs shall be ex officio directors.*

With:

28. *The Board shall consist of seven (7) Directors which shall comprise a Chairman and six (6) other Directors. The current presidents of the Men's and Women's clubs shall be ex officio directors.*

Remove Section 30 (b) which reads:

30 (b) Social Members shall be entitled to be nominated, elected or appointed to fill two (2) positions on the Board provided that they have been a financial member of the club for three (3) consecutive years at the time of such nomination.

Remove Section 32 (a) which reads:

32(a) *Nominations for election of a Social Member as a Director shall be made in writing and signed by two (2) Bowling Members and or Life Members and or Social Members and by the nominee who shall signify his or her consent to the nomination and who shall certify that he or she is not a key official or former key official, as those expressions are defined in the Registered Clubs Act or, if applicable, that he or she is a key official or former key official as so defined who has been granted exemption under the Registered Clubs Act to be nominated and elected as a Director of the Club.*

7. To deal with any other business of which due notice has been given. All business and notices of motion to be dealt with at the Annual General Meeting shall be in writing and must be received by the Secretary Manager no later than 28 Days prior to the date of the Annual General Meeting.
8. To declare the results of the election of the Chairman and up to eight other directors for the ensuing year and, if necessary, to elect further directors.

Please note: The Warringah Men's Bowling Club AGM will follow immediately from the Warringah Bowling Club Ltd

By Order of the Board

Alex Sangkuhl

Secretary Manager

Chairman's Report 2016

Dear Members,

I am proud to present you with the Club's 114th Annual Report. In a climate where many clubs continue to close their doors, it is a testament to our Club's governance and management that we continue to grow and remain profitable. Having said that, it has become clear to me that the traditional bowling club business model is no longer financially viable. The club resides in a building which was designed for Men's & Women's bowls in the 1960's, the clubhouse is not suited to the functions now required of it. To this end, management has been researching and evaluating options for the future of your club over the year. I am very excited about what the future holds for this great Club, and I anticipate your new Board will be able to present options for the future soon after the AGM.

Ann Dooley OAM

Men's President's Report

Dear Members,

It's been a successful year on the green for the men. We won our section, went to sectional play offs and only missed out on the State Championships by a shot. I'd like to thank Rusty and the bowls committee of Chippy & Joe for organising activities this year. Also thanks to Alex for organising them! Our biggest problem is that most of our active bowlers are still in the workforce, making it hard to get everyone available to play at the same time. Not the worst problem to have. Having received my 5th Child earlier this year, I haven't been able to put in the time I would have liked to fulfil my role, and as such will not be standing for President again. I hope you don't miss seeing my scooter in the Men's Presidents spot as much as I will.

Arron Cutugno

Women's President's Report

Dear Members

A very successful season for our small group of ladies this year, winning the district Pennant and travelling to Bomaderry for the state play-offs. A big thank you to the pennant players for their time and support. The number of new ladies being coached by Judy and myself is very encouraging, I believe our relaxed introduction to the game is bearing fruit and will provide us with several new bowlers for next season. I am personally excited for the future of the club and believe that a competitive boutique style bowling group will emerge as a result. I look forward to serving again as President for the coming year.

Jan Mountain

Treasurers Report

The Board has been unable to find a Treasurer since the resignation of Brian Holmes. As a result of this, being the Company Secretary, I have had to take on this role. Hopefully a new Treasurer will put their hand up at this AGM. Our main financial focus this year was on stability whilst creating a new strategic business plan for the future. We completed our original 3 year plan in 2015 and came to the view that the traditional bowling club model was no longer financially viable. Having established that a new business model was required, management presented a vision for the future to the Board in February. I am currently in the process of undertaking a feasibility study into this proposal and will present the results to the new Board. The future looks bright. The second area of focus has been on governance. I am confident that unlike many other clubs our size, our business operates to the highest standards and principles. What has become apparent is that our constitution is no longer relevant to our business model, and as such will need to be completely re-written and adopted by the members during the term of the next Board.

Alex Sangkuhl B.Comm (Accg) Macq., ASA

Diggers Section Finale

There was no Anzac day held at our club this year. The Diggers section at Warringah Bowling Club has now ceased to function. All money that was held in an account at the Commonwealth bank has now been expended and the account is now closed. The money that remained in the account was used to completely re-furbish the 15m steel flagpole that was erected sometime after World War 2 by the Diggers section. There are two significant memorials at the club provided by the Diggers Section. These are registered with the State Library register of memorials in NSW and may be viewed online. The flagpole is one and the other is the memorial sandstone pillars and gateway entrance off Bradleys Head Rd.

Foundation Report

Dear Members

A big thank you to the members who continue to donate to the Foundation via the Australian Sports Foundation. Our current project is entitled "Bowls Heritage Project". To date members have donated \$3630 to the project. Please remember, donations made via the foundation are tax deductible. The current funds will shortly be spent on replacing the ageing honour boards in the main bar with more modern perspex boards. The aim of future fundraising is to refurbish the current barefoot bowls storeroom and create a history of the club. I anticipate establishing an ASF roll of honour.

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

The financial statements are for Warringah Bowling Club Limited as an individual not for profit entity, incorporated and domiciled in Australia. Warringah Bowling Club Limited is a company limited by guarantee.

The financial statements were authorised for issue on September, 2016 by the directors of the club.

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

Basis of Preparation

These general purpose financial statements have been prepared in accordance with the Corporations Act 2001 and the Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Material accounting policies adopted in the preparation of the financial statements are presented below. They have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

a) Income Tax

No provision for income tax is required as the Club is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997, due to its promotions of bowls.

b) Inventories on Hand

Inventories are measured at the lower cost and current replacement cost.

Inventories acquired at no cost or for nominal consideration are measured at the current replacement cost as at the date of acquisition.

c) Impairment of Assets

At the end of each reporting period, the Club reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

When the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is assessed as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an assets class, the entity estimates the recoverable amount of the cash generating unit to which the class of assets belong.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

WARRINGAH BOWLING CLUB LIMITED
A.B.N. 85 000 014 219

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

d) Property, Plant and Equipment

- (i) Each class of Property, Plant and Equipment is carried at cost of fair value, less where applicable, any accumulated depreciation and impairment losses.

Freehold Property

Freehold land and buildings are shown at their fair value based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation for buildings.

In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuations to ensure the carrying amount for the land and buildings is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets are recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount the carrying amount is written down to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss in the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives to the economic entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

<u>Classes of Fixed Asset</u>	<u>Depreciation Rate</u>
Buildings	0.0 - 2.5%
Furniture & Fittings	10.0 - 33.0%
Plant & equipment	5.0 – 50.0%
Greens & Surrounds	10.0 – 20.0%

WARRINGAH BOWLING CLUB LIMITED
A.B.N. 85 000 014 219

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

e) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club are classified as finance leases. Finance leases are capitalised, recognising an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are depreciated on straight line basis over their estimated useful lives where it is likely that the economic entity will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability & the lease interest expense for the period.

f) Employee Provisions

(i) Short-term employee provisions

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

(ii) Other long-term employee provisions

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees rendered the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary level, duration of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss as part of employee benefits expense.

The Club's obligation for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the Club does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

g) Cash on Hand

Cash on hand includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

WARRINGAH BOWLING CLUB LIMITED
A.B.N. 85 000 014 219

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

h) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(c) for further discussion on the determination of impairment losses.

i) Revenue

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied. When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

The Club receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of profit or loss and other comprehensive income.

Donations and bequests are recognised as revenue when received. Dividends revenue is recognised when the right to receive a dividend has been established. Revenue from the sale of goods and delivery of services is recognised upon the delivery of goods to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. All revenue is stated net of goods and services tax.

Revenue from the rendering of a service is recognised upon the deliver of the service to the customer. All revenue is stated net of the amount of goods and services tax.

e) Goods & Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position. Cash flows are presented on a net basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to

f) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligations at the end of the reporting period.

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

k) Comparative Figures

When required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year. When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

l) New Accounting Standards for Application in Future Periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of the new and amended pronouncements. The company's assessment of the new and amended pronouncements that are relevant to the company but applicable in future reporting periods is set out below:

AASB 9: Financial Instruments and associated Amending Standards (applicable to annual reporting periods beginning on or after 1 January 2018).

The Standard will be applicable retrospectively (subject to the provisions on hedge accounting outlined below) and includes revised requirements for the classification and measurement of financial instruments, revised recognition and derecognition requirements for financial instruments, and simplified requirements for hedge accounting.

The key changes that may affect the company on initial application include certain simplifications to the classification of financial assets, simplifications to the accounting of embedded derivatives, upfront accounting for expected credit loss, and the irrevocable election to recognise gains and losses on investments in equity instruments that are not held for trading in other comprehensive income.

Although the directors anticipate that the adoption of AASB 9 may have an impact on the company's financial instruments, it is impracticable at this stage to provide a reasonable estimate of such impact.

m) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Club during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

n) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Club.

i. Provision for Doubtful Debts

Current trade receivables are generally on 30-day terms. These receivables are assessed for recoverability and a provision for impairment is recognised when there is objective evidence that an individual trade receivable is impaired. These amounts have been included in other expense items.

Movement in the provision for impairment of receivables is as follows:

Provision for impairment as at 30 June 2014	NIL	
- Charge for year	-

ii. Credit Risk – Accounts Receivable and Other Debtors

The Club does not have any material credit risk exposure to any single receivable or group of receivables.

The following table details the company's trade and other receivables exposed to credit risk with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Club and the customer. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the company.

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

Based on past experience, the company does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

Financial Risk Management Policies

The committee's overall risk management strategy seeks to assist the Club in meeting its financial targets, whilst minimizing potential adverse effects on financial performance. Risk management policies are approved and reviewed by the committee on a regular basis. These include credit risk policies and future cash flow requirements

Specific Financial Risk Exposures and Management

The main risk the Club is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

a. Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at reporting date whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial rate instruments.

WARRINGAH BOWLING CLUB LIMITED
A.B.N. 85 000 014 219

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

b. Liquidity risk

Liquidity risk arises from the possibility that the Club might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Club manages this risk through the following mechanisms:

- Preparing forward looking cash flow analysis in relation to its operational, investing and financing activities;
- Maintaining a reputable credit profile;
- Managing credit risk related to financial assets;
- Investing only in surplus cash with major financial institutions; and
- Comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

Credit Risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counter parties of contract obligations that could lead to a financial loss to the Club.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating.

Credit Risk Exposures

The maximum exposure to credit risk by class of recognised financial assets at balance date is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

Accounts Receivable and other receivables that are neither past due nor impaired are considered to be of quality. Aggregates of such amounts are as detailed in Note 7.

The Club does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the company. The trade receivables balance at 30 June 2016 and 30 June 2015 do not include any counter parties with external credit ratings.

Customers are assessed for credit criteria worthiness based on enquiry of the customer and management due diligence enquiries.

Credit risk related to balances with banks and other financial institutions is managed by the committee in accordance with approved Board policy. The following table provides information regarding credit risk relating to cash and cash equivalents.

	Note	2016	2015
Cash and Cash Equivalents	6	69,541	85,561

Net Fair Values

Fair value estimation

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the balance sheet. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Fair values derived may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgment and the assumptions have been detailed below.

	Footnote	2016		2015	
		Carrying	Value	Carrying	Value
Financial assets					
Cash on Hand	(i)	69,541	69,541	85,561	85,561

Total financial liabilities		66,876	66,876	68,787	68,787

The fair values disclosed in the above table have been determined based on the following methodologies:

WARRINGAH BOWLING CLUB LIMITED
A.B.N. 85 000 014 219

NOTES TO AND FORMING PART OF THE 2016 FINANCIAL STATEMENTS

(i) Cash and cash equivalents, trade and other receivables and trade and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for, relating to annual leave and deferred income which is not considered a financial instrument.

(ii) In the year ended 30 June 2015, twenty six \$10,000 promissory notes were offered to members with terms of principal repayable at maturity in 5 years and fixed interest of 6% payable annually in arrears. The net value represents the principal and the net fair value being the undiscounted remaining principal & interest due over the term of the note.

Sensitivity Analysis

The following table illustrates sensitivities to the company's exposures to changes in interest rates.

The table indicates the impact on how profit reported at balance date would have been affected by changes in the relevant risk variable that management considers to be reasonably possible. These sensitivities assume that the movement in a particular variable is independent of other variables.

Year Ended 30 June 2015	Profit	Equity
	\$	\$
± 2% in interest rates	± \$1,528	± \$1,528
Year Ended 30 June 2016	Profit	Equity
	\$	\$
± 2% in interest rates	± \$1,215	± \$1,215

The above interest rate sensitivity analysis has been performed on the assumption that all other variables remain unchanged.

No sensitivity analysis has been performed on foreign exchange risk, as the Club is not exposed to foreign currency fluctuations.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
WARRINGAH BOWLING CLUB LIMITED**

Report on the Financial Report

We have audited the accompanying financial report of Warringah Bowling Club Limited, which comprises the statement of financial position as at 30 June 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Statements

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall report presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Warringah Bowling Club Limited, would be in the same terms if given to the directors as at the time of this auditor's report.
